

JAD06030L Series DC Fan Cross Flow Fan

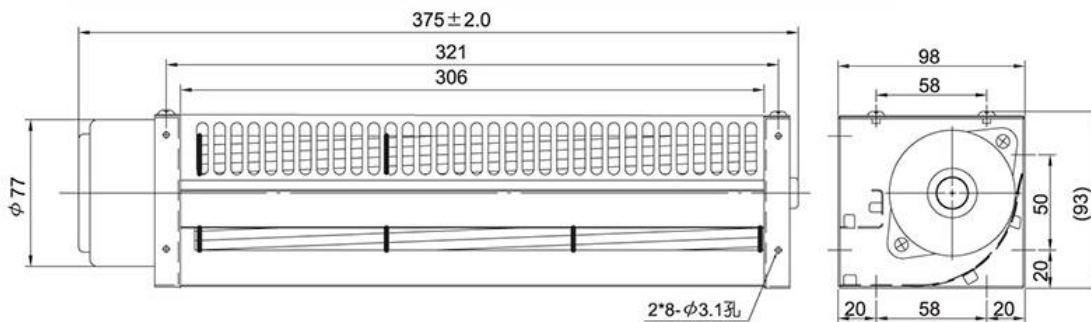

FEATURES

Rated Voltage: 24 or 48 Volts. DC Brushless type motor, temperature resistant aluminum alloy, ball or sleeve bearings. **Maximum Pressure: 9.8mmAq (0.385inH2O), Maximum Air Flow: 265CFM (7.5m³/min).**

DIMENSIONS

(size:mm)

Dimensions and Specifications are subject to change without notice,
please refer to the actual product.
